ST. PIUS X EDUCATIONAL SOCIETY

Re: Charity Number: 87629 4471 RR0001

Dear Parishioners,

St. Pius X Elementary School is in need of a new playground. After 26 years of much use, our current playground will be removed in June 2019 and we are avidly holding regular fundraising events towards this end. The parents and children of the school have been very supportive in their endeavors and these efforts are certainly appreciated.

As I am sure you would agree, having a playground is a necessity for healthy, active students. It helps build motor skills, team building and a sense of community. To replace our playground with a new accessible one we need to raise about \$254 000.00. As a small school we are very proud to have raised over 30% of that goal but nevertheless, we need your help. As members in our community, your generous donation would be extremely beneficial in helping us to meet our financial goal.

There are a number of ways to give:

- Through a personal donation (tax receipts will be provided upon request)
- By accessing available funds through a corporate gift from the company at which you work
- By designating St. Pius X School when you give a gift through the United Way of Calgary and Area
- By purchasing raffle tickets at the school

In recognition of your support and generosity, we can include your name on the new playground welcome sign for donations in excess of \$2000.00.

Your commitment to the St Pius X Playground, in conjunction with your community spirit, is very much appreciated and we thank you in advance for your generous donation.

If you have any questions regarding this request, please feel free to contact the school at 403.500.2015.

Thank you in advance for your generosity and consideration.

God Bless

Sean Marchetto, Principal
